

HF150-PE

HYVENT Inline Fan 150mm dia

Order Code: FAN1503

- An energy efficient solution with state of the art EC motor technology.
- Free Speed Control: Speed-controllable from 10% to 100% via a 0-10V analogue input signal.
- High performance mixed-flow impeller.
- Fans can be removed for maintenance or repair without disturbing the duct system via specially designed support brackets.
- All models are designed for direct connection to standard diameter circular ducting.
- Integral mounting foot makes installation simpler.
- Suitable for both supply and exhaust air applications.
